GROUP ASSIGNMENT - MINORITY ETHNIC GROUPS

Minority ethnic groups in care contexts

Work in small groups of three or four to investigate on the web some of the information you need to find out about people who are in receipt of care service provision. Each group can choose a particular minority ethnic group to research:

Ethnic Groups

Pakistani

Indian

Bangladeshi

Chinese

Black-African

Black-Caribbean

Suggested weblinks:

http://www.ethnicityonline.net/ethnic_groups.htm

Find out about:

- dietary needs
- religious beliefs
- personal hygiene
- festivals and celebrations
- family relationships
- language
- music
- social customs
- dress

Summarise your findings and prepare Report/Presentation of 5 minutes to present your findings to the whole group.

Many of the ethnic minority groups have a rich diversity of religion, language and cultural beliefs. In the time available it will only be possible to provide a summary of the most common religions, languages etc. in a particular ethnic group.
